Description:

Epson 003 BKCMYK Color Toner Description

The Epson 003 Ink Bottle is a replacement ink bottle for Epson inkjet printers. Because of its Black 4500 Pages, Cyan 7500 Pages, Magenta 7500 Pages, and Yellow 7500 page yield, this ink bottle is particularly cost-effective. This guarantees a large volume of low-cost printing for a long time. This Ink Bottle is compatible with a wide range of printers.
